

For those of our patients who are insured under **Covered California**,

There has been a lot of confusion regarding the new **Covered California** insurance plans. We would like to apologize for any inconvenience this may be causing you and your family. Please know that Chestnut Pediatrics is making every attempt to make this new transition as seamless as possible. Chestnut Pediatrics is not currently contracted with **any** Covered California plans and because of that, we are not accepting any Out of Network policies.

We thank you for your understanding and our staff will let you know of any updates or changes we are made aware of. You can visit www.CoveredCA.com or call **(800) 300-1506**. You may also call the customer service number on your ID card. Please contact our office if you have any further questions. (559) 797-4400

Thank you,
Chestnut Pediatrics
